# Manitoba Ozone Depleting Substances (ODS) Regulation

www.gov.mb.ca

## Leak Report Form

Under Section 24 of the Manitoba Ozone Depleting Substances (ODS) Regulation 103/94, a person who owns, services, installs or repair equipment from which there has been a release of a regulated substance, accidental or not, over **10 kilograms/22 lbs** must report the incident **immediately** (within 48 hrs) to an Environment Officer. You must report the incident by calling (204) **945-7017** (or 1-800-282-8069 extension 7017 outside of Winnipeg) and by **faxing the completing information** on this form directly to Manitoba Conservation at (204) **948-2338**.
