**MOPIA's Stakeholder Outreach**

will see MOPIA staff travelling to small towns across Manitoba to visit with stakeholders and ensure regulatory compliance and awareness is understood by all those handling regulated products. From auto shops to retailers and agriculture parts suppliers to appliance repair enterprises and everything in between.

If you'd like to schedule a site visit or have MOPIA review if you are doing things right (or wrong), we'd be happy to assist – and it's free! Take advantage of this offer because alternatively if an Environment Officer finds you are doing something wrong, they may charge you, MOPIA won't!
