

RENEWAL NOTICE

2012-2013 PROVINCIAL CERTIFICATION

PAYMENT IS DUE NOW TO MAINTAIN YOUR PROVINCIAL CERTIFICATION

Certification holder: _____

Invoice number: _____

Date: _____ Amount Paid: _____

Any person installing, servicing (purchasing) or repairing equipment (i.e. A/C, refrigeration, fire suppression, etc.) that contains a regulated substance, including a refrigerant or halon, as specified under the Manitoba Ozone Depleting Substances and Other Halocarbons 103/94, must maintain valid certification, as recognized by the Minister of Conservation. Your certificate is renewable annually.

The Certificate is not a trade license. It is certification on environmental and ODS/halocarbon regulation awareness.

Complete the following form and forward with payment to MOPIA, either in person, by mail, or by fax. New wallet certification cards will be sent out upon receipt of payment. MOPIA maintains a database and may verify if you have complied by submitting refrigerant or halon use records for the 2011 calendar year.
