WINNIPEG - The Manitoba Ozone Protection Industry Association's (MOPIA) Board of Directors met on April 20, 2015 and elected John Kubilanski as our new Chair of the Board of Directors. Joining him on the Executive Committee (Excom) are:

Vice Chair	Michael Blackey
Treasurer	Bill Grywinski
Secretary	Meghan Skorodenski
Member-at-Large	vacant
Past Chair	Meghan Skorodenski
Executive Director	Mark Miller

MOPIA's Twentieth Annual General Meeting (AGM) was held on March 23, 2015 in which 14 representatives were elected or re-elected to the Board of Director's including newcomer Mr. Kent Cielen. MOPIA's 2013/14 Annual Report was also presented, reports were provided to our membership regarding MOPIA initiatives, as well as, the presentation of financial and executive reports. The AGM was held in Winnipeg at MACDON Industries, a leading Canadian manufacturer of specialized farm tractors and implements.

MOPIA encourages Manitoban's to participate and become aware of the challenges of ozone depletion and climate change. Our province is unique in that it has one of the most dynamic ozone protection programs in the world. MOPIA maintains a wealth of resource materials, including videos and internet resources, from worthy sources around the world. These are available through free loan to students, industry stakeholders and the general public. This past year, MOPIA officials participated in several local, national and international ozone protection activities.
