

Training Application Manitoba Environmental Certification & Regulation Awareness

On July 1, 1992 the Manitoba Government implemented the Ozone Depleting Substances Act & Regulation. The legislation requires that any person working on (i.e. purchasing to work on, servicing, recharging, repairing) refrigeration or air conditioning equipment that contains a regulated substance be certified. There are also several other responsibilities that are associated with certification. On September 10, 2009 MOPIA adopted a new and updated training manual "*Environmental Awareness Training for Ozone Depleting Substances (ODS) and Other Halocarbons*"

Please note that when there are enough approved applicants (Approx. 15-25) a course date (location, etc.) will be set. **Apply below for the MOPIA one day certification course.** You will be notified regarding your application for certification training approximately 5-10 days prior to the date of the next offered course.

The cost of the course is \$100.00 plus \$25.00 annual certification valid to May 31 of the current year and \$50 for the training manual OR \$40 for the CD version. **The total amount \$175.00 (training manual) OR \$165.00 (CD version) can be paid by cheque or cash (day of the class) or credit card or debit (at MOPIA).**

Please note that this is not trades training, it is regulation and environmental awareness training for certification under MR 103/94.

Please indicate the day slot that would be preferable to you.

Weekday Weekend

Today's Date: _____ **Name of Applicant:** _____

Contact Person (If other than Applicant): _____

Company/Employer: _____

Contact Address: _____ City: _____ Postal Code: _____

Phone #: _____ Fax #: _____

E-mail Address: _____

How would you like MOPIA to notify you of our upcoming courses?

Phone Fax Email

Once a course date has been set you will receive a confirmation of attendance, which must be filled out and sent back to us before we can reserve a spot in the course for you.

1) List any air conditioning or refrigeration qualifications, licenses or certification you have.

2) What trade area do you work in (i.e., auto, residential, etc.)? _____

3) How long have you been in the air conditioning and/or refrigeration sector? _____

Note: Do not send any cheque or money & allow a few days for processing. You will be notified approx. one week prior to the next course you've been assigned to attend. Payment is made at the course, by phoning in or by invoice.
