

Reinstatement of Provincial Certification

Individuals who have previously held Manitoba certification, including those who have successfully participated in a recognized ODS training program may become re-certified after lapsing for a period of 5 years or more. To initiate your provincial re-certification you must complete and return this application form and remit payment to MOPIA. Fees are charged to all certification holders as specified under the Manitoba Ozone Depleting Substances and Other Halocarbons Regulation 103/94.
